

STEM Girls

E.Y.H.

Expanding Your Horizons
CONFERENCE
Volunteer State Community College

*Helping Girls Develop a Passion for
Science, Technology, Engineering and Mathematics.*

Vol State is hosting a STEM (Science, Technology, Engineering and Mathematics) Conference for 6th – 8th grade girls on Saturday, October 7, 2017 from 8:00 a.m. – 3p.m. This event will feature hands-on workshops in chemistry, biology, math, health science, animal science, computer programming and stem activity involving a TI graphing calculator. There are also workshops for adults in cyber security.

The cost is \$20 per girl and includes workshop materials, lunch and an event t-shirt. The cost per adult is \$5 for the workshop. Scholarships for girls are available now, so apply today!

For more information, visit www.volstate.edu/EYH.
